

Product

**Superiol SAE 15W-40**

Commercial

16 August 2018

***Product Data Sheet***

Sample Label

**Specification**

ACEA E7, API CI-4/SL

**Viscosity Index**

137 SINO ISO 2909

**Appearance**

Clear amber fluid

**Density @ 15 Celsius**

0.885 g/ml DIN 51757

**Kinematic Viscosity @ 40 C**

106 cSt DIN 51562-1

**Kinematic Viscosity @ 100 C**

14.5 mm<sup>2</sup>/s DIN 51562-1

**Approvals**

-

**Recommendations**

-

- A long-term all-season engine oil for diesel and gasoline engines (in passenger cars, trucks, buses and industrial equipment) either with and/or without a turbo

- It's miscible and compatible with conventional branded engine oils although mixing should be avoided

- Advantages/Benefits include:

\* Good wear protection even under high continuous stress; and,

\* Protection from corrosion even when used with diesel fuels with high sulphur content

- Product selection should be based on full knowledge of equipment requirements, environment and operating conditions
