

Product

**Superiol SAE 5W-30 C3**

Automotive

October 2018

***Product Data Sheet***

Sample Label

**Specification**

ACEA C3, API SM

**Viscosity Index**

137 DIN ISO 2909

**Appearance**

Clear amber fluid

**Density @ 15 Celsius**

0.850 g/ml DIN 51757

**Kinematic Viscosity @ 40 C**

68 cSt DIN 51562-1

**Kinematic Viscosity @ 100 C**

11.2 cSt DIN 51562-1

**Approvals**

-

**Recommendations**

-

- High performance and fuel economy engine oil
- Assists with cold starting as well as provides low oil consumption and exhaust emissions
- Suitable for vehicles with gasoline powered engines or diesel engines with particulate filters
- It's miscible and compatible with conventional branded engine oils although mixing should be avoided
- Advantages/Benefits include:
  - \* Protects exhaust gas after treatment systems due to low sulphated ash content; and,
  - \* Applicable in diesel and gasoline engines
- Product selection should be based on full knowledge of equipment requirements, environment and operating conditions.
